Financial Aid Scholarship Program

Revised 08/22

RCNP has established a modest financial aid scholarship fund through application fees and restaurant night fundraising events. It is RCNP's desire to provide financial aid scholarships to enrolled families to help cover enrollment related expenses based on family need and availability of funds in the scholarship account. Note, financial assistance is not intended to be used for supply fees or deposits associated with registration paperwork.

Any family requesting a scholarship must complete the attached application. Submitting an application does not guarantee assistance will be awarded. When completed, email the application to the Treasurer, treasurer@rosecitypreschool.org, or place the application in the Treasurer's folder on the rolling cart at the school. Members of the Executive Board (Treasurer, President and Vice President) will review the application and award scholarship amounts. This is a confidential process facilitated by the Treasurer, where only the Treasurer is aware of the identity of the requesting family.

If accepted for a scholarship, the family agrees to maintain the full duties of the cooperative membership, including help time in the classroom, a job within the school and fundraising obligations. If these requirements are not met, your application may not be considered.

If your family's financial situation changes and you no longer need financial assistance, we would appreciate the timely withdrawal of your assistance application and award, if any. This will allow the committee to offer financial aid scholarships to other RCNP families.

Other kinds of assistance may be possible, such as tuition payment schedules, alternative due dates, etc. These should be discussed with the Treasurer as far in advance as known, and communicated in writing. Decisions about these alterations may be made by the Treasurer directly or by the Executive Board.
